Section 25.03 Application Process

A. Zoning Setback Waiver

If an error is discovered in the location of a Building or Structure relative to the minimum Yard requirements contained in Section 6.01.03 Lot Width Area and Yard Requirements in the Land Development Code a waiver may be granted conditional that the application shall meet with the following criteria:

1. Approval of waiver shall not allow the structure to exceed the required yard setback more than ten (10) percent.

2. The corresponding opposite yard must be larger than requested by the same distance as the waiver request (to insure that the waiver is not just an attempt to place a larger building on the lot) or the waiver request an intrusion of only a small corner of the building (such as a house too close to the front of a cul-de-sac lot such that it violates the side yard requirements at the front corner but nowhere else).

3. The following documents/information must be provided to process your Application.

   a. Complete application form and filing fee.
b. Submit evidence the waiver is requested pursuant to an error in location of a building or structure relative to minimum yard requirements.

B. Sidewalk Waiver

1. Whenever sidewalks are required by Section 6.02.06.B.1.b Sidewalks of the Land Development Code, an application for an Administrative Waiver may be submitted as required by Section 6.04.07.H of the Land Development Code. The Administrative Waiver request may be approved based upon one or more of the following criteria:

   a. Installation of a sidewalk is technically infeasible due to site features or conditions (i.e. Includes exceptional topographical conditions, environmental or wetland impacts, or unique site conditions).

   b. Installation of sidewalk is impractical due to a funded County Capital Improvement Program or other funded agency five year work program projects that would cause the sidewalk to be removed,

   c. Installation of a sidewalk is included in the funded County Capital Improvement Program or other agency 5 year work program.

   d. Extraordinary reasons reviewed on a case-by-case basis. Lack of connection to an existing sidewalk is not in of itself justification for a waiver. Extraordinary distances can be reviewed on a case by case basis.

2. The following documents/information must be provided to process your Application.

   a. Complete application form and filing fee.

   b. Submit evidence such as maps, charts and reports that adequately describe why the required sidewalk cannot be installed. Information must be based upon the determination of a Professional Engineer.

3. If the waiver request is approved payment into the sidewalk fund is required at the unit price established by the County Administrator. Relief from the payment can only be approved by the Board of County Commissioners

Section 25.04 Review/Approval Process
