

Agency: Council On Aging
Program: Sunshine Center
Program Activity Period: 10/01/2009 - 09/30/2010
Reporting Period: 10/01/2009 - 09/30/2010

Outcome: #1 Age in place - To prevent or delay institutionalization of medically at-risk, frail or cognitively impaired adults and allot respite for their caregivers.

Outcome Achieving Performance Chart

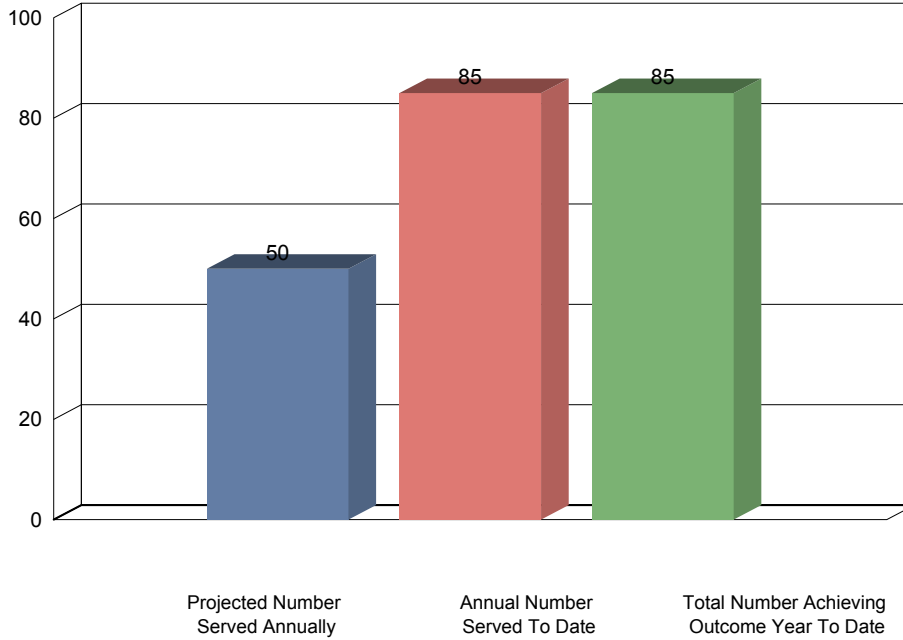

Service Description: Provide enjoyable, activity based environment for adults who live the community, are unable to function safely on their own and are dependent on at least one caregiver. Caregivers are given respite time, education and caregiver support.

Required Documentation: Attendance records, enrollment rosters, case records and discharge reports.

Projected Number Served Annually	Annual Number Served To Date	Total Number Achieving Outcome Year To Date	Percent Clients Achieving Outcome
50	85	85	170%

Outcome: #2 Age with dignity - attendees will maintain as much of their independence and choices in the center for as long as possible.

Outcome Achieving Performance Chart

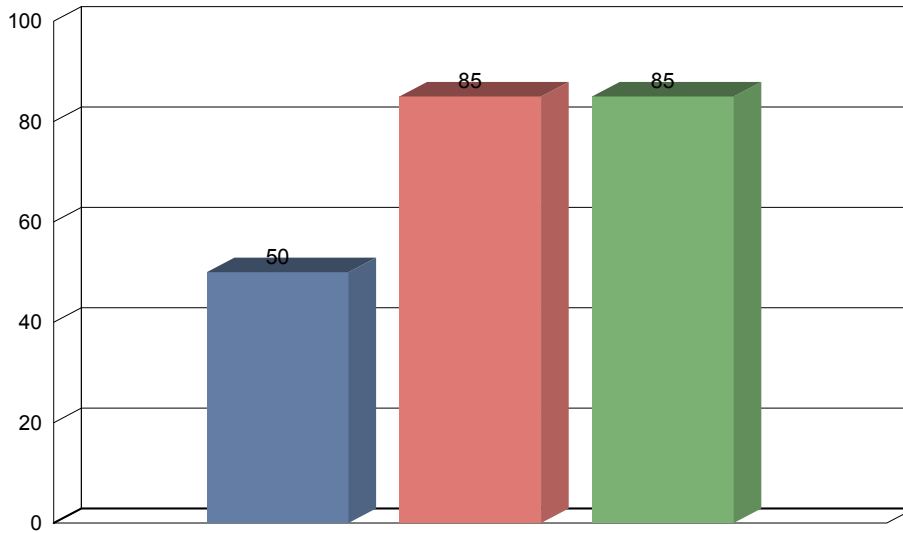

Service Description: Upon admission to the program, each attendee is evaluated for a plan of care based on their cognitive and functional abilities. The care plan is updated at least monthly. Individuals are then able to maintain their independence and choices as long as possible, while receiving assistance in these areas where there is a genuine need. Activities offered will be stage appropriate to the individual.

Required Documentation: Individualized care plans with the likes and abilities of the attendee; participant review by nursing staff and functional assessment staging by caregivers and staff.

Projected Number Served Annually	Annual Number Served To Date	Total Number Achieving Outcome Year To Date	Percent Clients Achieving Outcome
50	85	85	170%

Outcome: #3 Age with safety and security in elder-friendly environment - Medically at-risk, frail and/or cognitively impaired adults living in the community who meet admission criteria and attend this adult day care, will be provided a protective, nurturing environment
