<b>Primary Care Services / Dental Services</b>	<b>FY '11</b>	<b>FY '12</b>
<p>Primary Care and Dental fees are derived yearly from the Medicaid Cost-based reimbursement rate. The Medicaid cost-based reimbursement rate is calculated on the previous fiscal year and becomes effective on July 1 of each year. There are 7 Sliding Fee Categories, which are based on a percent in relation to the poverty rate. Client financials are conducted for clients not eligible for Medicaid, which determines the appropriate category to place the client. This income based sliding fee scale is applied to the Medicaid cost-based fees.</p> <p>Services are not denied on the basis of client's inability to pay.</p>
