**How You Can Help:**
- Fill in your holes and flatten your sandcastles at the end of the day.
- Eliminate all beachfront lighting.
- Maintain a safe distance from wildlife and respect their habitat.
- Stay out of the sand dunes & Conservation Zone – 15 feet seaward of the dune line.
- Use dune walkovers to avoid damaging sensitive vegetation to access the beach.
- Keep pets on leashes.

**Report injured or sick coastal wildlife to the Sheriff’s Office @ (904) 824-8304.**

**Report all injured wildlife or wildlife violations to Florida Fish & Wildlife Conservation Commission (FWC). @ 1-888-404-3922.**
